AMI is the recognized international authority on Montessori education. During its long history AMI has fostered the growth and development of Montessori programs and teacher training, and worked to support the development and education of children and young adults in a vast variety of settings throughout the world. AMI is a Non-Governmental Organization (NGO) associated with the United Nations Department of Public Information (since 1985) and an NGO in operational relations with UNESCO (since 1962).

Why Take AMI Training?

- **Founded by Dr. Maria Montessori**

The Association Montessori Internationale (AMI), founded in 1929 by Dr. Maria Montessori, is a global community which continues today to protect the integrity of her work.

- **A Guarantee of Quality**

The Association Montessori Internationale affiliates training centres throughout the world. These centres offer AMI diploma courses which are recognized worldwide for their excellence and authenticity. The training is essentially the same in each centre. Training centres affiliated to AMI remain under the constant supervision of AMI, are staffed by AMI Teacher Trainers and each course is examined by an external examiner appointed by AMI.
